

# ORTHO-PAC

## YOUR POLITICAL VOICE

**ORTHO PAC** solicits contributions from Virginia orthopaedists to fund General Assembly and statewide office candidates who share our goal to foster a better environment for orthopaedic medical care delivery. Political contributions help offset the expenses of campaigns and allow orthopaedists to target our message to important decision-makers. With your support of ORTHO PAC we can achieve our mission of educating policymakers about our professional concerns.

**Yes, I want to help my profession! Please accept my contribution of:**

\$ 500 (Leadership Circle)

\$ 100 (Member)

\$ 250 (Advocate)
